Monthly Tuition *

In the event there is a government imposed lockdown of our "large family childcare licensed facility," classes will be conducted via Zoom and the Monthly Tuition (for Option# 1 and 2) will automatically be convert to \$800 per month during the lockdown period. Zoom online group size and class duration will be adjusted based on age appropriate attention span and the preschool will provide materials required for zoom sessions.

Tuition Deposit**

Enrollment/Tuition Contracts will be due April 2021 with a \$1600 nonrefundable tuition deposit for Option #1 and \$1800 nonrefundable deposit for Option #2 and \$1000 nonrefundable deposit for Option #3. The tuition deposit will be applied toward May 2022 monthly tuition.

Materials Fee ***

A nonrefundable Materials Fee of \$900 is paid annually at the start of the school in September 2021 for Option# 1 & 2. Material fees are significant portion of our program as we follow children's interests and engage in rich explorations using high quality art materials. We also use artist grade journals, and photo books documenting the children's long term investigations as well as present their work in a portfolio at the end of the year. Materials Fee also includes any extra cost of protective gear for the staff and cleaning supplies and cost to ensure our environment is well sanitized for each day and for each class. Lastly, material fees include a inspiring snack which sparks curiosity and connects children to our garden and nature inviting them to become stewards of the natural world.
